

Sherwood Forest
with **Ted Green** and
Reg Harris

Saturday 6th July 2024
Only 50 Places Available

THINKING ARBS

A **guided tour** of habitat pruning and veteranisation carried out by Reg Harris and colleagues from Urban Forestry (Bury St Edmunds) Ltd over the last 7 years, concluding at the Major Oak tree for an open forum to discuss its recent decline, management options and the effects of tree tourism on the UK's most famous tree.

- Saturday 6th of July 2024 10.00am-2.00pm
- 50 people maximum capacity.
- **Email bookings only.**
Please contact Reg Harris at Reg@urbanforestry.info
- The event will take place in the forest, people attending will need to be able to walk 2-3miles on uneven ground.
- **Free of charge event.**
- Kindly hosted by Chloe Ryder, Site Manager for RSPB Sherwood Forest
